CARLOS ALBERTO FERREIRA GUIMARÃES

Corporate Security & Risk Management Leader | Executive Risk & Protection | Crisis & Threat Management | Latin America | Data Protection Officer (DPO)

PROFESSIONAL SUMMARY

Senior Corporate Security and Risk Management professional with over 20 years of experience managing complex risks and delivering strategic protection for senior executives and high-level leadership across Latin America. Extensive expertise in high-exposure institutional and operational environments, with a strong focus on threat assessment, vulnerability analysis, risk mitigation, and executive decision-making in volatile and high-risk contexts.

Throughout his career, he has led more than 100 strategic missions involving government authorities and senior executives, maintaining a track record of **zero critical incidents**.

Combining extensive operational experience with a strong academic background in Corporate Security, Corporate Governance, Risk Management, Fraud Prevention, and Corporate Intelligence, he brings an integrated approach to organizational risk, security governance, business resilience, and operational continuity.
